UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA, OAKLAND DIVISION

11 Light Field Lab,

Case No. 4:23-cv-05344-YGR

12 Plaintiff,

13 v.

14 Alan Jones,

**LIGHT FIELD LAB'S RESPONSE TO  
DEFENDANT ALAN JONES'S  
ADMINISTRATIVE MOTION FOR  
MORE TIME TO RESPOND TO  
DECLARATORY JUDGMENT  
COMPLAINT**

15 Defendant.

16  
17 Mr. Jones failed to follow Civil L.R. 7-12. He did not seek a stipulation from Light Field  
18 Lab's counsel moving his response date to January before filing his motion. Light Field Lab  
19 requests that the Court inform Mr. Jones—who is representing himself—that he should confer  
20 with counsel prior to filing motions.

21 Light Field Lab's declaratory judgment complaint was filed on October 19, 2023. Mr.  
22 Jones's prior attorney would not accept service. Thereafter, Mr. Jones evaded service, granting  
23 himself a default one month extension. After local police officers became involved in serving the  
24 complaint, Mr. Jones voluntarily appeared on November 13, 2023. Even with these delay tactics,  
25 Light Field Lab agreed to a further extension, giving Mr. Jones until December 21, 2023, to  
26 respond. No additional time is warranted.

Case No. 4:23-cv-05344-YGR  
LIGHT FIELD LAB'S RESPONSE TO  
DEFENDANT'S ADMINISTRATIVE MOTION  
FOR MORE TIME TO RESPOND TO  
DECLARATORY JUDGMENT COMPLAINT

1        Given Mr. Jones's *pro se* status, however, Light Field Lab will not object to additional  
2 time. Mr. Jones's requested date, January 21, 2024, is a Sunday. Light Field Lab requests that  
3 Mr. Jones's pleading be due the prior Friday, January 19, 2024. Light Field Lab further requests  
4 that no further extensions be permitted.
